Coat rack

A new
customisable rack

MOEBE launches its first rack; a customisable rack for your coats, towels, tea cloths, etc. COAT RACK is a simple rack. Drawing just a fine line on your wall, the rack ensures a clean look for your hallway, kitchen or bathroom.

COAT RACK consists of a metal rod and 4-6 pegs. The pegs simply slide on the rod and can therefore be moved around as needed. As the rod can easily be removed from the wall-hooks extra pegs can instantly be added or removed according to the capacity needed.

The rack will be available in two sizes (70 cm/6 pegs or 40 cm/4 pegs) in either black or chrome, this way providing an option for both minimalistic and more vibrant settings.

COAT RACK will be in stores Spring 2018.
